The number of fans provided for in the old wards in the Wenlock Hospital, Mangalore are according to the bed strength of each ward and bears the same ratio as in the new wards. (i.e.) 2 fans for 10 bedded ward).

2. These old wards are ill ventilated and are single tiled (they have no second line of ceiling tiles). Further as the new building have grown up all round, they have become stuffy. Hence these fans and lights have been asked for now as they are very essential.

3. The plan and estimates are enclosed herewith for favour of necessary action and return.

P.W. From the D.M.S. No. 46743 M/55 of 6-11-55 Bldgs - Coast Headquarters Hospital, Mangalore - addl. fans and lights.

P.W. The D.M.S. has forwarded plan and estimate amounting to Rs. 3200/- for the provision of addl. lights and fans in the wards of the Coast Headquarters Hospital, Mangalore. The wards are said to be ill ventilated and stuffy. The fans and lights are therefore essential. The proposal may, therefore be approved.

The remarks of the P.W. dept and the Fin. dept may be invited.

P.W.(E.I.)

Note of HEA above may be perused. In view of the high cost of labour and material and the need to adopt austerity standards, the present policy of Govt. is not to provide fans in residential and non-residential buildings. However exception is made in the case of hospitals where fans are allowed for the use of patients.

Besides addl lights In the present case,

fans are proposed to be installed in the Wenlock Hospital Mangalore as shown below:—

(1)	Sprawson ward	4 ceiling fans at 1 fan for 4 beds.	Vide Estimate
(2)	Police ward	2 ceiling fans at 1 fan for 5 beds.	
(3)	Medical ward.	4 fans at 1 fan for 5 beds.	
(4)	Deri BAI ward	4 fans at 1 fan for 2 beds.	
(5)	Laboratory	1 ceiling fan	
(6)	Laboratory	1 ceiling fan	
	Total.	16	

In regard to the installation of fans mentioned above, the following remarks seem called for:—

Usually one ceiling fan is allowed for wards at the rate of 1 fan for 4 to 5 beds. Hence items (1), (2) and (3) are in order.

Item (4) The scale of fan viz one for two beds seems excessive unless this is a paying ward.

Items (5) & (6). If Gazetted Officers work in the laboratories one fan for each laboratory may be allowed - otherwise these should be cut out.

Subject to these remarks the proposal may be agreed to in this deptt. If any of the fans are ultimately decided to be cut out - H.E.A will no doubt reduce the estimated cost suitably.

With these remarks the file may be passed on to Finance.
